

REMARKS

This amendment is being filed after the mailing of a Notice of Allowance and is therefore governed by the provisions of 37 CFR § 1.312. In accordance with 37 CFR § 1.312, this amendment is being filed before payment of the issue fee. The undersigned believes the amendment is of a type needed for the proper disclosure or protection of the invention, and which requires no substantial amount of additional work on the part of the Office, and may therefore be entered on the recommendation of the primary examiner and approved by the Director, without withdrawing the application from issue. 37 CFR § 1.312.

The specification is amended herein to correct a typographical error regarding the filing date of the provisional application from which the present application derives priority. The date has been corrected from October 25, 2001 to October 25, 2000 (the actual filing date of provisional application Serial No. 60/243,235). No other changes are requested.

The Examiner is invited to telephone the undersigned at the number below to discuss this matter more fully.

Respectfully submitted,
